

Tradesman Pro™ Tool Master Backpack

Be ready for anything.

This seriously tough backpack has a handle reinforced with aircraft cable, is made of 1680d ballistic weave material construction, and sits on a fully-molded waterproof bottom. With 48 pockets inside and out, the Tool Master Backpack has plenty of space for everything you may need. Need only a few tools for your next task? The removable tool caddy is designed for you to take just what you need.

Cat. No. 55485

Tool Caddy included—when you only need a specific set of tools.

Front

Back

- (1) Aircraft cable heavily reinforces the handle
- (2) Durable back padding extends over the hard bottom and extra padding on the shoulder straps for carrying comfort
- (3) Metal hanging hook tucks easily away
- (4) Adjustable front pouch and large interior space for larger hand or power tools
- (5) Mid-sized front zipper pocket for tablets with protective covers
- (6) Front zipper pocket with inner pockets for small items, pencils, markers, etc.
- (7) Bright orange interior space helps find tools easily
- (8) Made from durable 1680D ballistic weave material and has a molded bottom to protect from the elements
- (9) Molded front pocket for safety glasses, phones, and other breakable items
